

# Dog House Rules

- Each of our dog-friendly bedrooms has space for 2 dogs and is charged at £15 per stay, whether you bring one or two furry friends.
- Although most people's days are brightened by seeing a dog, please keep other guests in mind.
- We know your doggy may be excited about your getaway but, please keep in mind that there may be a cost for any doggy damages.
- We don't like the idea of your pup getting lonely, so please do not leave them unsupervised at any time.
- Your room will come with dog treats, a dog bed or blanket and a dog bowl. However, we know dogs love their own beds so feel free to bring your own.
- There's nothing better than when your four-legged friend comes with a friend of their own, but please note we cannot accept any more than 2 dogs per room.
- It goes without saying that your doggy may get muddy. Your room comes with a dog blanket but if your dog is particularly large or enjoys getting very muddy then please bring an extra blanket for them.
- We know your doggy might get comfy on the sofa at home, but while with us please keep dogs off the beds and soft furnishings.
